List of Figures

1 Introduction

1.1 Purpose

The purpose of this assignment is to collaborate as a team to identify the most challenging constraints in the design of the CS Department Automated Information Timeline project and describe them using OCL. The team (aka The Incredibles) met multiple times over the course of a few days to work together and identify the constraints in the design.

2 Identifying Constraints

3 Describing Constraints with OCL

3.1 Constraint 1

3.2 Constraint 2

3.3 Constraint 3
